FEEL AT HOME FAIR

What our partners say

"The City Compass team is young, enthusiastic and true partners. I have known and worked with them for a while and I believe they are wonderful ambassadors for Romania to the growing expat community in our country."

Cătălina Gărdescu **Manager of Admissions & External Relations,** AMERICAN INTERNATIONAL SCHOOL OF BUCHAREST

"City Compass is a group of beautiful, friendly and passionate people who put their heart and soul into what they do. Their enthusiasm and 'work well done' attitude showed in the Expat Fair, and I really enjoyed interacting with all of them and collaborating with them for this event."

Consuela Dezso **Certified Coach, Business Consultant, and Speaker**

"We were exhibitors at the first edition of the Expat Fair in Bucharest in October 2015, which was very successful. The school received lots of interest. We have recently had two new parents join the school because they met us there, and 4 new children became our pupils as a direct result of the fair. Thank you so much for organising another Expat Fair. We were delighted with the results from the last fair and will certainly be attending the second edition of the fair in April 2016."

Susan Eriksson **Head of School,** KING'S OAK BRITISH INTERNATIONAL SCHOOL

FEEL AT HOME FAIR

What our partners say

"We had the pleasure of working together for Expat Fair, as Grecu&Lawyers provided the legal counseling, so we had an idea of what we should expect. The actual event surpassed our expectations, the people we met, old friends and new ones, bringing smiles and value to our experience. For us professionally the event was successful as we founwd new clients that in this short amount of time have become also friends. We believe in being friends with our clients, as working together and being able to provide with the exact desired outcome cannot be made without a certain degree of trust and communication, the foundation of a great relationship."

Elena Grecu **Lawyer & Intellectual Property Counselor,** GRECU & LAWYERS

"The first edition of EXPAT FAIR – fall 2015, was a very pleasant event, organized with absolute professionalism. There was a cheerful and animated atmosphere where we were pleased to meet wonderful people, companies operating in complementary domains to our own and potential partners. We are looking forward to the next edition."

Irina Postoaca **Manager,** NORDIS EXPAT PROPERTIES

"First of all, I would like to thank the whole team for the effort and the solicitude showed before the event and on the day of the event. Everyone's enthusiasm was impressive, the attention of the organizers towards the participants was remarkable and of course, the workshops were very interesting. In this way we had the chance to identify and enjoy the different ways in which the event could have been approached.

For me and my colleague Alina Ceamur, as representatives of Ramada Hotel & Suites Bucharest North, it was a great pleasure and a real honor to take part in the second edition of the Expat Fair organized in Bucharest."

Alina Deacănu **Sales & Marketing Coordinator,** RAMADA HOTEL & SUITES BUCHAREST NORTH
